Report from the Mediation Centre has been received, as per which the matter could not be settled.

Oral submissions have been heard on behalf of both the parties.

Briefly stated, the complainant alleges commission of offences punishable U/s 498A/406 IPC against her in-laws, i.e. Sandeep Kumar Haldar(Husband), Santosh Kumar Haldar(Father-in-law) and Shipra Haldar (Mother-in-law), vide the present FIR. **FIR No.292/18
PS Karol Bagh**

The present applicant/ accused Santosh Kumar Haldar is the father-in-law of the complainant. Admittedly, the applicant/ accused is aged around 67 years and is a permanent resident of Kolkata, West Bengal. The present applicant/ accused Santosh Kumar Haldar apprehends his arrest in the present FIR and has therefore moved the present application to seek anticipatory bail. It is submitted on behalf of the applicant/ accused that he has not committed any offence, as alleged vide the present FIR. It is further submitted that the applicant/ accused has duly responded to the notices served by the IO in the month of February, 2020. It is further submitted that the applicant/ accused has also filed a representation with the IO, whereby the applicant/ accused has tried to explain that the allegations leveled by the complainant are not truthful. The applicant/ accused submits that he is ready and willing to join the investigation as and when required by the IO but could not do so on account of prevailing COVID-19 pandemic. It is further submitted that the applicant's life and liberty may be protected by granting the prayer made vide the present application.

On the other hand, Ld. Counsel for the complainant argues that the allegations leveled by the complainant are truthful and the complainant is a victim of dowry demands raised by her in-laws including the present applicant/

accused. It is further submitted that the applicant/ accused is deliberately avoiding the police investigation and has already delayed the filing of chargesheet.

This Court has raised a query from the Ld. APP for the state as well as IO as to whether the police could effect the arrest of the applicant/ accused in this FIR without seeking permission from the concerned DCP. It has been informed that police could not arrest the applicant without grant of permission in this regard by the DCP concerned. This Court has also sought a clarification from the IO as to whether DCP concerned has granted any permission to arrest the present applicant/ accused in the present FIR till date. IO has responded that no such permission has been granted till date.

It is apparent from the above responses of the Ld. APP as well as IO that the present applicant/ accused could not be arrested in the present case at this stage on account of absence of requisite permission from the DCP concerned. Consequently, it could be safely held at this stage that the apprehension of the applicant/ accused about his arrest in this FIR is entirely misplaced.

At this stage, Ld. Counsel for the applicant/ accused submits that some protection may be afforded to the applicant/ accused so that he may

Contd/--

move the appropriate court u/s 438 Cr. P.C. for the purposes of protecting his rights in future in case police decides to arrest him. Ld. Counsel for the complainant submits that he has no objection if the present applicant/ accused is afforded a limited protection in this regard.

In the facts and circumstances, it is directed that the Police Authorities shall serve an advance notice of 04 days upon the applicant/accused Santosh Kumar Halder personally or through his counsel before effecting his arrest in the present FIR. However, it is clarified to the applicant/ accused that he shall positively join the investigation as and when so required by the IO. Applicant shall also communicate any change of his address or mobile number to the IO without fail. With the above observations, the present application stands disposed of accordingly. Copy be given dasti to the parties, as requested. File be consigned to record room as per rules.

A copy of this order be uploaded on the official website of Delhi District Courts.

FIR. It is prayed that the applicant/ accused Mohd. Alam may be granted bail, particularly in view of the unabated spread of COVID-19 pandemic.

Ld. APP for the state as well as IO have opposed prayer to grant the bail. It has been submitted that there is not delay in registration of FIR. It has been further submitted that the occurrence was of the mid-night and the complainant made a PCR call to the police in the morning, which was recorded in the PS vide DD no. 6A dated 08/06/2020 and consequently the present FIR was registered. Further, it is submitted that TIP of the applicant/ accused is fixed for 25/07/2020(i.e. after two days from today). It has been further submitted that the applicant/ accused was arrested on the basis of a secret information and the mobile phone robbed from the complainant as well as a sum of Rs. 4,000/- in cash has also been recovered. Further submitted that the said "Yadi" is none other than co-accused Mohd. Asif, who is also involved in the present case. It is lastly submitted that the applicant / accused was "on parole" at the time of commission of the present offence. Accordingly, it has been prayed that the bail application may be dismissed.

This Court has considered the rival submissions. Although, the applicant/ accused Mohd. Alam is aged about 22 years, but it does

not seem that the applicant is trying to reform himself. Admittedly, the applicant/ accused was “on parole” at the time of commission of the present offence. In the facts and circumstances of the present case and in view of the gravity of the offence as well as the propensity of the applicant to indulge in crime, the applicant/ accused MOhd. Alam could not be granted bail. Hence, the bail application stands dismissed. Copy of order be given dasti, as requested.
