

OFFICE OF DISTRICT & SESSIONS JUDGE (HQs): DELHI  
TIS HAZARI COURTS

---

Dated : 06.03.2020

**NOTICE**

**SUB : Representations regarding evaluation of Answer Sheets with regard to the Skill Test/Typing Test for the post of Jr. Judicial Assistant conducted by this establishment on 21.01.2020.**

This is to inform that this office has received various representations/complaints regarding evaluation of "Answer Sheets" with regard to the Skill Test i.e. Typing Test for the post of Jr. Judicial Assistant conducted on 21.01.2020 by this Department.

It is to inform to all the applicants that their representations have been found to be without any basis and due to misconception that count of key strokes were not taken into consideration. It may be understood that count of keys strokes were inversely proportional to the speed and accuracy of the words typed during stipulated time of 10 minutes. It is to inform that the number of strokes displayed on the computer screen at the end of the typing test is not indicative of your speed and accuracy as these included wrongly typed words and keystrokes for backspaces and use of delete keys etc. **Therefore, the evaluation is done on the basis of number of correct words typed and not on the basis of characters/key strokes punched.**

However, on reappraisal of the entire evaluation method, 10 candidates in the category of PwD-VH (Visually Handicapped) have been found to have successfully qualified in the Skill Test/Typing Test. This is without prejudice.

The candidates may access their "Answer sheets" of the skill test/typing test of JJA held on 21.01.2020 on the website of Delhi District Courts which is self-explanatory. Kindly note that URL of "Answer Sheets" shall be available for a period of 1 month i.e. till 5<sup>th</sup> April, 2020 on website of this office.
