ASJ(Special Fast Track Court)-01
West, THC, Delhi/30.09.2020

1. Brief facts of the case are that an FIR was registered U/s 315/304 IPC on account of death of Poonam Joshi. During the course of investigation it was revealed that Poonam Joshi was admitted to RD Memorial Hospital, Nangloi on 01.07.2015 for abortion, however, after abortion her condition became serious

and she was taken to Lady Harding Medical College and was left alone. During her treatment she died. The postmortem was conducted and exhibits were sent to FSL.

2. Ld. Counsel for accused has argued that accused is in no manner connected with the crime. Neither the offence U/s 315 IPC or U/s 304 IPC is made out. It is submitted that accused has always cooperated with the investigation and no useful purpose will be served to keep him behind bars. It is submitted that he carries a registration which is issued under the MTP Act and consent was obtained from the family members of the deceased before she was operated upon. It is submitted that in order to save the life of the pregnant woman the surgery was necessary and urgent, which was performed by the surgeon and no medical negligence can be attributed to the present applicant who is just the Director of the Hospital. It is argued that even the Delhi medical Council has only asked the applicant to refrain from prefixing Dr. to his name.
3. On the other hand, Ld. Addl. PP for State has argued that allegations against the accused are serious in nature. The accused was not possessing any degree, neither he was registered with Delhi Medical Council and he opened hospital / nursing home in order to cheat the people.
4. I have heard Ld. Addl. P. P. for State and Ld. Counsel for accused and perused the record.
5. A young lady lost her life. The report of the Medical Council is

very categorical that neither Dr. S. C. Gupta nor Dr. Sunita Vashisht has post graduate qualification in Obst. and Gynae and were thus not competent or qualified to consider the termination of pregnancy. The Delhi Medical Council notes that no attempt was made to find out whether the placenta was adherent. It is further noted by Medical Council that records in the hospital were not kept properly.

6. Doctors are treated next to God in this country and it is their duty to save lives. But in the present case by pre-fixing Dr. against his name despite not being qualified amounted to cheating because of which a young lady lost her life. No doubt that he did not perform surgery but had opened a hospital in the name of R. D. Memorial Hospital by projecting himself as a qualified doctor.
7. Considering the entire facts and circumstances and gravity of offence, it is found that accused is not entitled for bail at this stage. Hence the present bail application stands dismissed. Copy of order be sent to all concerned through electronic mode.

1 :30 PM

1. The brief facts of the case are that on the complaint of Ms. "N" FIR was registered in which she alleged that she knew accused Satender since 2014 as he used to come and teach her children. It is further stated that accused Satender had promised her a plot and for this Rs. 10 Lacs were deposited in the account of Satender and his family members. The complainant further states that for the first time in the year

2015 accused Satender established physical relations with the complainant and lastly on 09.01.2020 when he had called her at his house in Sagarpur, gave drink which was laced with sedative. After drinking the same she became unconscious and when she regained her conscious, she came to know that accused has established physical relations with her and accused has taken her nude photographs also. On these allegations the present FIR was registered.

2. Ld. Counsel for accused submits that it is a case of consensual sex which has been converted into rape. He has relied upon various judgments to argue this fact.
3. On the other hand, Ld. Addl. PP for State has argued that allegations against the accused are serious in nature. Ld. Counsel for complainant submits that in addition he has threatened the complainant.
4. I have heard Ld. Addl. P. P. for State, Ld. Counsel for complainant and Ld. Counsel for accused and perused the record.
5. It is a case where for the last about 5 years consensual relations were there between complainant and accused and on 09.01.2020 it is alleged that drink laced with sedative was given. The complaint was given on 21.08.2020 after almost 7 months. There is apparent delay in registration of FIR. At this stage, without commenting further accused is admitted to bail on furnishing bail bond in the sum of Rs.50,000/- with one

surety of the like amount to the satisfaction of Duty MM/ MM concerned on following terms and conditions:-

- 1) Accused shall not contact the complainant or go near her house in any manner. Any violation would attract cancellation.
- 2) The accused shall provide his mobile number to IO and shall mark his presence on every 4th Saturday before the IO either physically or virtually as per convenience of IO.
- 3) The accused shall not temper with evidence.
- 4) In case accused wishes to go out of Delhi he shall inform the IO.

The application is disposed off accordingly. Copy of the order be given dasti.
